WHY WE LOVE IT

As the founder of social media startup Craft Box Girls, Atlanta “it” girl Lynn set her sights on Charleston to tie the knot with corporate finance attorney Brennan. Think low-country luxe!

THE VENUE

The ancient oaks of Legare Waring House were the perfect setting for the couple’s stylish Southern celebration, where guests enjoyed cuisine by Cru Catering and music by Atlanta’s Infinity Show Band.

THE DETAILS

Planner Ellen Cohn-Robinson with WED oversaw all the details, including invitations from hi note, linens by BBJ Linen and a cake by Ashley Bakery.

Lynn’s silver Christian Louboutins added sparkle, while her vintage Chanel bracelet on loan from a bridesmaid was her “something borrowed.”

Lynn found her Lazaro gown at Bridals by Lori, and Brennan’s suit was by Hugo Boss.
