Bridal fashion shot on location on Sullivan's Island (page 136)

Lily White

WED took a traditional wedding color palette—white and green—and added interest with luxe textures and a variety of materials. The resulting icy mix of snow-colored feathers, sparkling crystals, and mirrored mercury glass contrasted with velvety lamb's ear and the blousy full blooms of white ranunculus. And though both creations are in sync (being fashioned from the same list of "ingredients"), a striking vessel and an elegant wrap allow each to be perfectly singular as well.

WED: (843) 722-9333, www.charlestonevent.com

(opposite)
Astilbe, calla lilies, eucalyptus, lamb's ear, paperwhite narcissus, Queen Anne's lace, and ranunculus with feathers and Swarovski crystals wrapped in gold silk cord with crystal accents. \$275 from WED.
